Type of Comment	<input type="text" value="Support"/>
Type	<input type="text" value="neighbour"/>
Comments	<input type="text" value="We've lived in the area for the last 35 years and know the site well and often used the footpath. It is a really lovely design that i believe will enhance the setting and protect the landscape as it should be. It's exciting architecture that should be encouraged in the countryside and it draws comparisons to other local designs and would fit in well."/>
