<b>Comments</b>	<input type="text" value="I am in full support of this planning application. This looks to me like an exciting development that ticks all the box's for a para 79 including the re-use of a redundant farm building and a scheme that looks of exceptional quality that's innovative in its nature of design certainly raising the standards in a rural area. I think that this development would set a great example for a para 79 in our beautiful countryside and I would hope that many more would follow suit in the local areas. Not only will this look fantastic, the construction of this project will support a wide range of local businesses."/>
