Comments	<input type="text" value="I wish to object to this planning application as I consider it to be a totally inappropriate location. The fields between Cropredy and Great Bourton epitomise the rural location and such a plan as proposed will adversely impact this environment. Previous illegal developments at this site were eventually reversed and it now seems ridiculous that an even more intense development is now being considered. I trust that common sense will prevail in this matter and very much hope that the application will be denied."/>
