Comments	<input type="text" value="I wish to register my objection to the proposed plans to change the use of this area to a camp site to house static caravans. I feel that any plans for permanent living accommodation on that area may escalate and soon become an extensive encampment. The Gt Bourton to Cropredy road is extremely busy, and access on to this road at that point will be dangerous. I agree with all the other objections in the terms of flooding, lighting etc and agree that this is an entirely inappropriate use of these fields, and should be REFUSED."/>
