

9. Vicarage Gardens,
Cropredy.

Planning Ref. 20/02060/F

Dear Mr. Neville,

I wish to object to the
planned static caravans at the
Stables, Main St. Great Bowton,

1. The area floods quite often
2. Problems with sewage.

3. Access to the site! The road
is busy with general traffic,
+ cars + buses are daily
delivering + collecting children
from school. Sturley Branch
