<b>Comments</b>	<input type="text" value="I object to this proposal for the reasons below: 1) Development should not be permitted in the green corridor that separates Cropredy and Great Bourton. 2) It will adversely impact the landscape and amenity value of the currently uninterrupted views from Great Bourton down into the Cherwell valley and Cropredy. 3) It will adversely impact Cropredy as a growing tourist destination and hence also the local economy. 4) The proposed site is too close to Cropredy PreSchool and Primary School and will add to the traffic congestion around the school area. 5) The proposed development would effectively prevent people from accessing the public footpath that crosses the land. 6) Development should not be permitted on the flood plain which helps slow the progress of rain water down Great Bourton Hill into the flood zone surrounding the School."/>
