<b>Comments</b>	<input type="text" value="Banbury Town Council objects to the proposal on the grounds of access and parking. The only access to this building appears to be via a private gated rear service/parking area for the existing shops and businesses and the area appears to be regularly fully used already. There is no separate pedestrian access to the site with obvious danger to users, particularly with the increased footfall caused by these flats. Finally and fundamentally the proposal does not account for the inevitable additional parking that would be needed."/>
