Comments	<input type="text" value="47 Broad Street. I write on behalf of Banbury Civic Society at that wishes to object on the following basis : - The plans are very sketchy and little detail is shown; indeed it is suggested that that degree of information is totally inadequate. Some of the rooms do not appear to have any access to natural light or ventilation, nor are there details of washing, showering etc. shown. There is no indication of the proposals for safe, hygienic catering, cycle storage or refuse provision. We would suggest this application is deferred until sufficient information and detail is provided to ensure that the usual Health & Safety provisions are met and that the District Council's own standards for this type of accommodation are demonstrated."/>
