Dear Linda,

East West Rail Network Phase 2. The Scheme Railway from London Road, Bicester to Talisman Road, Bicester.

Partial discharge of condition 13 (Flood Risk Assessment) OF 18/01430/TWAO - Westbury Court, culverts C160924 & C160550.

Thank you for consulting us on the above discharge of condition application.

Although all of the proposed works are on ordinary watercourses, we have reviewed the submitted documents to ensure no detrimental impacts to the Sminnell Farm Ditch and Beaconhill Ditch main rivers, which are just downstream of the works.

We are satisfied that the works will have no detrimental impact on the main rivers within our remit and we therefore have no further comments to make on this application.

As all of the proposed works are on ordinary watercourses, we will leave any detailed comments and recommendations for discharge to the Lead Local Flood Authority.

If you have any queries about this response, please do not hesitate to contact me.

Yours sincerely,

Clark Gordon
Strategic Planning Specialist
