

Comment for planning application 20/02126/CLUE

Application Number	<input type="text" value="20/02126/CLUE"/>
Location	<input type="text" value="Wroxton Motorcross Track Land Used For Motorcross Stratford Road A422 Wroxton OX15 6HH"/>
Proposal	<input type="text" value="Certificate of Lawfulness of Existing Use for the use of the land for a mixed use of agriculture and as a motorcross track with race meetings for up to 24 days a year (excluding set up, preparation, clear up and private practice sessions)"/>
Case Officer	<input type="text" value="George Smith"/>
Organisation Name	<input type="text" value="Sarah Knight"/>
Address	<input type="text" value="6 Perkins Close,Hornton,Banbury,OX15 6BP"/>
Type of Comment	<input type="text" value="Objection"/>
Type	<input type="text" value="neighbour"/>
Comments	<input type="text" value="I live in Hornton, which is a peaceful rural village with an excellent community. We can hear the motocross events when they are held, which does have a negative impact on being able to enjoy sitting outdoors when the weather is good. There is another impact on our community, which is that of the state of the roads approaching the motocross site. The road out of Hornton towards Wroxton is in a very poor state of repair with many ruts and pot holes, and I am sure that this is not helped by the increase in heavy traffic going to and from the motocross site. Having said that, I understand that sports events have to go somewhere and, if the track is used for the permitted 14 days per year, I would not object to that amount of use as I believe that to be a fair number. However, if this plan goes through, it will potentially mean that almost every week we will have the inconvenience of having to hear the noise of the motorcycles. I am not anti-motocross I just think that the amount of days should be limited and those days strictly adhered to. This is why I am objecting to this planing application and I urge the council to refuse this planning application."/>
