I think it is suitable for a small local club to operate from on an occasional basis but think that the site is wholly unsuitable for a permanent and national fixture situated in close proximity to several villages mainly on grounds of noise pollution but also because this is an area enjoyed by many ramblers and bird watchers. My second objection is to the volume of traffic entering and exiting the track via a small rural road on a blind bend. The road links to the main A422 by means of a narrow country lane where traffic has to pull over in order to pass each other. On several occasions I have been returning to Hornton and have been " vans="" vehicles="" verges="" very="" white="" winter=""/>
