It is approx 800yds from the motocross, and usually downwind (SW wind prevailing). When we bought it, there was a noise like a wasps nest on the days that the motorbikes were there, which was a minor annoyance to be set against the knowledge that others were enjoying themselves on their bikes. We were reassured that they were only allowed to be there for 14 days per year. We were content that this was a small-scale local activity, and visited it a couple of times with our small children to watch. I say this to show that we were happy to " version="" very="" waiting="" we="" were="" which="" with="" with,="" would="" years,="" your=""/>
