Things are coming together slowly!

Sadie & ORPA are working hard to get race meetings on and it wont be long now before we can get back to it.

This will only be open to club members, booking in will be different and payment upfront to avoid any unnecessary contact.

We will follow up with the details once we have more information but just letting you all know!

Practice days race days winter series.. we will plan them all while the other details are finalised.

See you soon!
