Subject: Hornton motorcycle noise

Sent from my iPad, Dear Mr Smith, I have lived in Hornton for 50 years, the last 16 years at the Long Barn, which is on the south side of the village on the ridge. Like most people I thought the late Mr Hedges was doing a good thing to allow profits to go to his local church and with no noise heard in the village from his scramble track. During the last few years I have been plagued by many weekends of incredible motorcycle noise which is totally unacceptable, to say nothing of my mental health. Motorcycle noise can be reduced to a very low level, if this reduces their fun I suggest they go and have fun outside their property.
Regards Norman Britton.
