Comments	<input type="text" value="I have been a resident in Hornton since 2014 and am writing to strongly object to the expanding Motocross operation on noise and access grounds The frequency of the meetings has substantially increased since I moved to the village, especially over the last couple of years. I cannot see on what basis the applicant is entitled to an LDC, other than for a very limited/minor operation, with planning conditions restricting the size and number of events."/>
