Comments	<input type="text" value="The Parish Council objects to this application on the basis of the material planning consideration of Noise and Disturbance. Shenington residents can hear the noise which at times is obtrusive. Residents are complaining to Cherwell District Council via the noise reporting web page. Additionally, the proposed Certificate of Lawfulness does not limit practice sessions. The Parish Council considers that if a Certificate of Lawfulness is granted then practice sessions should be limited to the same number of days as the number of days race meetings."/>
