Comments	<input type="text" value="I note that Mr Pounder has submitted a petition supporting the application. Ms Jessica Pounder began this petition on the Motocross Club's Facebook page stating that 'The locals have started a petition to close the track down - sign this petition to show your support for us to continue'. This is understandably inflammable, deliberately divisive, and COMPLETELY UNTRUE. There is no petition, or campaign, to close the track. If any of the members had read the submissions on this portal they would be able so see that the vast majority of 'locals' are now, and always have been, at ease with the existence of the track AS IT ORIGINALLY WAS. The protests are purely about future, uncontrolled expansion. Our protests have been provoked by the clear indication that neither the owner, organiser or, sadly, our council representatives seem to have properly considered the impact of recent expansion on 'the locals'."/>
