Comments	<input type="text" value="- With access to this property being on the already busy Oxford road I can see more accidents occurring around the DCS Stadium and Bannatyne's gym. Highway safety will be compromised. - With the two lanes merging into one, there is no clear place for the car the position whilst they will have to wait to turn into the drive. - Trees along the Oxford Road & within the current property will have to be felled. The process is noisy and will disturb the Oxford Road whilst the felling occurs."/>
