Comments	<input type="text" value="I object due to the nature of the traffic traveling along the A422 through Wroxtton. Despite many many years of trying to reduce the speed of traffic on this stretch of road by the parish council, many cars, vans and trucks, some from the Hornton grounds quarry itself, regularly break the speed limit, some to a dangerous extent. I live on the A422 and see this traffic issue on a daily basis. The addition of more trucks (oil tankers) is only going to increase the probability of a fatality on this stretch of road at some point."/>
