Subject: Certas planning application.

To allow the planning application by Certas for a fuel depot at Horton Grounds to proceed would be foolhardy. The A422 is already an extremely dangerous and busy road, and there are several bends through the village. There are two very dangerous bends by the Wroxton Hotel and when large vehicles have to negotiate these,(and there are many), they completely block the road in both directions. Quite a few accidents have already occurred on these corners. The access to the site at Horton Grounds would also be dangerous as there are already huge vehicles, carrying rocks, using it daily on a very busy bend. Please do not allow this application to proceed. George Turner, Sundial Barn. Wroxton.
