

Comment for planning application 20/02453/F

Application Number	<input type="text" value="20/02453/F"/>
Location	<input type="text" value="Hornton Grounds Quarry Hornton"/>
Proposal	<input type="text" value="A fuel depot including ancillary offices, the installation of plant and hardstanding"/>
Case Officer	<input type="text" value="Bob Neville"/>
Organisation Name	<input type="text" value="Kenneth Matthews"/>
Address	<input type="text" value="6 The Leys, Stratford Road A422, Wroxton, Banbury, OX15 6QW"/>
Type of Comment	<input type="text" value="Objection"/>
Type	<input type="text" value="neighbour"/>
Comments	<input type="text" value="My objection is mainly due to the increase in traffic through Wroxton on a stretch of the A422 where people do not respect the 30 mph limit currently with cars and lorries hurtling past our house which is on the main road. Rush hours are particularly bad, both morning and afternoon/evening having taken their toll on our pets over the years (three killed! and two injured) When the police put in mobile speed traps, they are usually there during the middle of the day when the traffic is at its lightest, so don't get a full picture of the speed of traffic that we, as residents, see on a daily basis. To add, in excess, of 150 lorries weekly can only make a bad situation worse as, in my experience, lorry drivers are particularly bad at adhering to the speed limit along this stretch of road. Add to this that the quarry has become an area where wildlife is thriving and put in a depot that can only have a detrimental effect on that habitat. I would hope that this application is declined."/>
