

Comment for planning application 20/02453/F

Application Number	<input type="text" value="20/02453/F"/>
Location	<input type="text" value="Hornton Grounds Quarry Hornton"/>
Proposal	<input type="text" value="A fuel depot including ancillary offices, the installation of plant and hardstanding"/>
Case Officer	<input type="text" value="Bob Neville"/>
Organisation Name	<input type="text" value="John Furneaux"/>
Address	<input type="text" value="West End House, West End, Hornton, Banbury, OX15 6DA"/>
Type of Comment	<input type="text" value="Objection"/>
Type	<input type="text" value="neighbour"/>
Comments	<input type="text" value="This proposal must be rejected as I believe that if approved and built it could be an environmental catastrophe on a truly monumental scale. The expected operation of the site 24/7 with all the anticipated vehicle movements would cause unacceptable noise and light pollution to this tranquil and unblemished corner of the unique North Oxfordshire countryside, so near to our village of Hornton. The potential for massive ecological damage to wildlife and natural habitats is enormous and the thought on top of this, that there could also be leakage of fuel into clean water courses is simply unbearable. Why ruin such beautiful landscape and people's lives with this ecological time bomb which could literally explode at any time? This proposal must be rejected outright."/>
