Comments	<input type="text" value="I am concerned about this application, for several reasons the volume of traffic on the 422 will be immense, wroxton and drayton will suffer a great deal,the corner at the wroxton hotel is impassable now if a lorry is coming around corner. Also light pollution is a concern, i live on the upton estate quite near to the proposed sight, we have lovely dark skies i can see it being a thing of the past."/>
