

Comment for planning application 20/02453/F

Application Number	<input type="text" value="20/02453/F"/>
Location	<input type="text" value="Hornton Grounds Quarry Hornton"/>
Proposal	<input type="text" value="A fuel depot including ancillary offices, the installation of plant and hardstanding"/>
Case Officer	<input type="text" value="Bob Neville"/>
Organisation Name	<input type="text" value="Nina Musgrave"/>
Address	<input type="text" value="Ferndale, Stratford Road A422, Drayton, Banbury, OX15 6EH"/>
Type of Comment	<input type="text" value="Objection"/>
Type	<input type="text" value="neighbour"/>
Comments	<input type="text" value="As a resident of Drayton who's home is located on the A422 Stratford Road and as a Parish Councillor I completely object to this proposal. Having lived on the main road in Drayton for over 14 years I have witnessed first hand the damage the large articulated lorries, tankers, quarry trucks and juggernauts has done to 100 - 600 year old houses as they bomb through the village. The amount of extremely heavy commercial traffic passing through our village has increased exponentially over the past 3 years and will no doubt continue to increase without the additional burden of 158 Serco tankers every week! In addition to the sheer volume and weight of the commercial traffic, our village also has a problem with speeding (including the speed of large heavy commercial vehicles.) This has been raised at our Parish Council Meetings by both Councillors and members of the public, and as a result we are in the throes of loaning speed measurement equipment in an attempt to assess and resolve the problem."/>
