

Comment for planning application 20/02453/F

Application Number	<input type="text" value="20/02453/F"/>
Location	<input type="text" value="Hornton Grounds Quarry Hornton"/>
Proposal	<input type="text" value="A fuel depot including ancillary offices, the installation of plant and hardstanding"/>
Case Officer	<input type="text" value="Bob Neville"/>
Organisation Name	<input type="text" value="Chris & Beth MacGregor"/>
Address	<input type="text" value="Barn Lodge, Mills Lane, Wroxton, Banbury, OX15 6PY"/>
Type of Comment	<input type="text" value="Objection"/>
Type	<input type="text" value="neighbour"/>
Comments	<input type="text" value="Wroxton is a rural village which already has to cope with a disproportionately large volume of traffic travelling through it on the main road, often exceeding the speed restrictions. The A422 Stratford road and housing either side is not suited to accommodate heavy traffic, both in terms of vehicle size, numbers, safe access from adjoining lanes or at antisocial times. This proposal would potentially significantly increase the amount of passing traffic and in particular heavy vehicles, resulting in unacceptable noise, pollution and concerns for safety. We are particularly concerned about the impact on school children - both those attending Wroxton Primary School (parking for which is increasingly difficult) whose play area may suffer from the aforementioned detrimental effects and also for those returning from secondary schools by bus, necessitating crossing the main road. This proposal would potentially increase the risk of harm due to large vehicles and we therefore wish to register our objection"/>
