<b>Comments</b>	<input type="text" value="I object to the development because of the increase in traffic which is likely to make a section of the main road (A422) even more dangerous than it is already. Neighbor's have lost their pets due to the speed of traffic along this stretch of road, particularly early morning and evening. My drive opens onto the road and I have had numerous near misses due to the speed of traffic. I have a young daughter and when my wife takes her to school it can be scary for her as they come out of the drive. MORE TRAFFIC ONLY MAKE THIS SITUATION WORSE!"/>
