<b>Comments</b>	<input type="text" value="I live on the Stratford Road and the traffic using the Stratford Road is already too heavy, heavy haulage lorries from and to the quarry shake the house and the general traffic is very heavy. The speed limit is rarely followed and during peak times it is dangerous to cross the road. Mostly I am seriously worried about the increased traffic through a lovely village and the damage large heavy vehicles are causing to my house and neighbours housing, I am against any further increase in traffic and especially heavy vehicles."/>
