

Comment for planning application 20/02453/F

Application Number	<input type="text" value="20/02453/F"/>
Location	<input type="text" value="Hornton Grounds Quarry Hornton"/>
Proposal	<input type="text" value="A fuel depot including ancillary offices, the installation of plant and hardstanding"/>
Case Officer	<input type="text" value="Bob Neville"/>
Organisation	<input type="text"/>
Name	<input type="text" value="Jill Brown"/>
Address	<input type="text" value="Ardens Bold, Stratford Road A422, Drayton, Banbury, OX15 6EH"/>
Type of Comment	<input type="text" value="Objection"/>
Type	<input type="text" value="neighbour"/>
Comments	<input type="text" value="The 158 proposed tanker lorries would have to pass through the centre of Drayton & Wroxton villages where there are sharp bends and houses fronting directly on to the road - this would cause extra noise and air pollution. The application only talks about tankers making delivery journeys out from the proposed depot but makes no mention of deliveries of fuel in to the depot - how many of these would they be and what route would these use? - presumably from the M40 so extra journeys through these villages (& the streets of Banbury), on top of the 158 mentioned? It is totally inappropriate for the depot to be sited in a rural location with no adjacent access to the motorway network."/>
