Dear Bob Neville

I write on behalf of Hornton History Group to strongly object to this proposal for a large-scale fuel depot and to endorse your principal reasons to refuse this application.

We believe that the scale of this development is completely out of proportion to its neighbouring sites and to the beautiful local environment and sets a worrying precedent for future expansion.

Hornton is a well-preserved historic village, a 'hidden' village with Anglo-Saxon origins, and the adverse visual impact of this totally inappropriate scheme will ruin our ancient landscape.

The increase of heavy goods vehicle traffic, will have an incredibly negative impact on our lovely rural environment in terms of noise and traffic safety, with a serious threat to roads through local villages such as Wroxton and Drayton.

Please do not let this potentially ruinous application go ahead.

Kind regards

Laurie Stewart-Furieux
