Subject: Planning application 20/02453/F

Dear Councillor,

I write to express my objection to the planning application above: the development of a fuel storage depot, on the A422 west of Hornton, by Certas.

In my view the location is completely inappropriate for a development of this type:

- the A422 is not a designated HGV route and will increase the likelihood of accidents on the narrow section between Wroxton and Drayton;
- the 24 hour operation will create unacceptable levels of light and noise pollution in this rural area;
- the proximity of the site will negatively impact on local businesses, such as the neighbouring farm shop and B&B at grade II listed Hornton Grounds Farmhouse.

I hope that you will see fit to refuse this application.

Yours sincerely,

David Martin
