Mrs Linda England, Cleavland, Eastgate, Hornton Nr Banbury, OX15 6BT

20/02453/F

I write in objection to the above planning application.

My reasons are 1) Light pollution, 2) Noise pollution, 3) Environmental risk to the surrounding areas. 4) Increased traffic that would be using unsuitable and dangerous highways. 5) The location is totally unsuitable and would have devastating effects to neighbours, Businesses and members of the public who live in nearby villages.

It appears the only reason Banbury Town Council are in support of this planning Application is to remove Certas from their doorstep, making way to Bulldoze ahead with any developments, this being without regard or consideration to the rural community.

A development such as this should be situated by the M40 where there would be a more suitable road infrastructure and would be less intrusive to the public.

Please reject this application, it is totally unacceptable.

Regards

Linda England
