**Subject:** Fuel Depot

We vehemently oppose the proposed siting of the fuel storage depot at Hornton Grounds.

The site is within metres of the conservation village of Hornton  
The A422 is not a designated lorry route for very good reasons. It is HAZARDOUS !  
In the event of an accident at the site, it is not easily reached by emergency services.  
It breaks a promise to Hornton that the quarry site would be returned to agriculture.  
It ruins two rural businesses.

**It makes a mockery of Cherwell District Council's objective of a carefully considered Conservation and Environmental Strategy for Rural North Oxfordshire**
