**Subject:** Planning app: 20/02453/F. Fuel depot

Dear Messers Peckford & Webb

I write again to express my objection to the above planning application. I now understand the application has been delayed and is likely to include alternative road routes.

This however, does not mitigate the original objection of increasing pollution, noise and traffic issues, particularly nocturnally. Indeed, an alternative route may increase these problems as lorries will be forced to go through smaller roads and villages.

I continue therefore to object on these multiple grounds.

Rgds
