Address	<input type="text" value="22 Woodfield Rd,Bicester,OXON"/>
Type of Comment	<input type="text" value="Objection"/>
Type	<input type="text" value="neighbour"/>
Comments	<input type="text" value="I cannot support any development in the CTA or any activity contrary to ESD11. This would result in development only being permitted on the west side and on the south east strip behind the natural boundary. In order to build the required number of dwellings, the plan needs to focus on higher density. The buildings should reflect the generally smaller size of properties, flats and houses on three stories that are there in Langford already. This would also provide houses that are more affordable for local people."/>
