<b>Comments</b>	<input type="text" value="The area is so full of fauna and flora and in these days of trying to protect our environment, it is imperative on all of us, to do our utmost to preserve what we have. As David Attenborough has said on many occasions, humans are destroying the planet we live on. I ask the decision makers; please don't become part of this destruction. Stand up and be strong and do the right thing for now and the future. Reject the planning on Gavray Drive and let it be your legacy."/>
