<b>Comments</b>	<input type="text" value="Having lived for the last 15 years on the Langford estate and walked nearly daily along Gavray drive over the last six months due to the current pandemic restrictions, it is one of the few accessible places in Bicester which provides a vista/view without being enclosed by the housing estate structure / increased traffic flow in Bicester town. It's a stretch where few cars go past and so the air and noise quality feel good allowing for a peaceful walk / healthy run. There are few if any other such areas accessible within easy reach for Landford residents and this space &amp; connection with nature has been important for health &amp; Mental well being."/>
