<b>Type of Comment</b>	<input type="text" value="Objection"/>
<b>Type</b>	<input type="text" value="neighbour"/>
<b>Comments</b>	<input type="text" value="This area needs to stay safe from building and development. It's so important for biodiversity. The local wildlife here is wonderful, and us local residents use this area too, which helps us look after our physical and mental health. My children love it and are learning so much about the natural environment. To lose this area would be devastating."/>
