

Comment for planning application 20/02469/SCOP

Application Number	<input type="text" value="20/02469/SCOP"/>
Location	<input type="text" value="Land On The North East Side Of Gavray Drive Bicester"/>
Proposal	<input type="text" value="Scoping Opinion - Environmental Impact Assessment (EIA) of the allocated Gavray Drive site in Bicester"/>
Case Officer	<input type="text" value="Bernadette Owens"/>
Organisation Name	<input type="text" value="Lynne Cumming"/>
Address	<input type="text" value="15 Partridge Chase, Bicester, OX26 6XF"/>
Type of Comment	<input type="text" value="Objection"/>
Type	<input type="text" value="neighbour"/>
Comments	<input type="text" value="I cannot support this application for planning permission. The proposed area is a floodplain for the local area and it is also a nature reserve where there are rare and protected species, not to mention the other non protected animals that would also be forced out of their natural habitat. There is so much building work going on which is serverly impacting on the green spaces in and around bicester. It is fast turning into commercial/industrial town with rapidly reducing space for wildlife & places for people to enjoy. It is massively important to have green space for our children to explore, hopefully teaching them to have more care and compassion for the wildlife and nature than then people who want to readily build on these areas. Building on this area will make the green space an eyesore & severely impact on the homes & the residents already living in this area. The area floods very frequently & building here will put our homes at risk."/>
