Type of Comment	<input type="text" value="Objection"/>
Type	<input type="text" value="neighbour"/>
Comments	<input type="text" value="As a resident of Langford Village I am opposed to housing development on Gavray Meadows. These meadows include grasslands, ancient hedgerows, ponds and mature trees which are home to diverse wildlife and as such should be protected. Aside from these urgent ecological concerns, Gavray Meadows provides an important green escape for families from the area. Furthermore, we have seen in recent years of the dangers of building on floodplains and any such building will have a detrimental effect on the surrounding area. We need to preserve such areas so as to not lose them forever."/>
