Comments	<input type="text" value="We object to this proposal. We have lived on Langford Village for the last 26 years and have observed this land's flora and fauna providing an important ecosystem for the plant and wildlife living on it. Once removed, or disturbed, irreversible damage will have been done. Surely there are plenty of other current housing developments ongoing in and around Bicester (e.g. Kingsmere, Graven Hill, etc.) without adding another?"/>
