Dear Bernadette,

Gavray Meadows Planning Application 20/02469/SCOP

Developers have submitted draft plans to build on the Floodplain, which is designated for biodiversity enhancement in Cherwell's Local Plan. While I understand the need to provide housing, residents also need green spaces in our rapidly expanding town. Once these meadows, grasslands, ponds and mature trees and associated wildlife disappear there will be few green escapes for residents. Please do not spoil our town any further. With the Covid restrictions it was clear to see how many families, joggers, walkers and dog owners were out enjoying these special places.

Please add my name to oppose developing this land.

Yours sincerely

Sue Potter
