Dear Ms Wright,

**Re: Banbury Service Station (Euro Garages Group), Oxford Road, Bodicote, Banbury, OX15 4AB – planning application for single storey rear extension.**

Further to our refused planning application and subsequent dismissal of appeal for retention of a storage container, located to the rear of the existing petrol filling station kiosk. I now submit a single storey extension for consideration.

This current application seeks to construct an extension which will act to enclose the storage container. The extension is designed to match the existing extension of the kiosk, being flat roof in appearance with white fascia detail and brick work to match that of the kiosk also.

The application is accompanied by the requisite application form, location plan and proposed drawings.

For any correspondence going forward, please contact me at [Natalie.ternent@eurogarages.com](mailto:Natalie.ternent@eurogarages.com).

Yours sincerely,
