<b>Comments</b>	<input type="text" value="Hi there, I'm not sure if this is the right place but myself and others in the village feel like there could be so much more for the children and young adults to do! Perhaps a decent play area with a skate park connected to it!? There seems to be a lot of space this could go and I can't see anyone in the village denying its use... a lot of families here have children. That I'm sure are sick and tired of them sitting on the computer consoles.. if you could point me in the right direction of a petition that would be amazing :D I'm sure even the village could set up and help organise a fundraiser to help pay as well! Or at least I'd hope so."/>
