Comments	<p>Gautherns Barn occupies a relatively isolated rural location, accessed from Colony Road via a private road. The proposed holiday lets, formerly used for storage and garden maintenance, are located a discreet distance from the main house, Externally, the proposal replicates the proportions and visual appearance of the present barns, incorporating dedicated parking areas. Exterior lighting is limited to appropriate personal safety provision. Given the close proximity of the Cotswolds Area of Outstanding Natural Beauty, these new holidays lets offer a positive benefit for tourism in the area.</p>
