<b>Comments</b>	<input type="text" value="Highfields is a recently constructed dwelling outside the conservation area, but next door to a Grade 2 property (Glebe Farm) It is our understanding that the previous application (now identified as Pre-Application Advice) for a larger double storey extension was withdrawn due to the scale of the design. The current application, which identifies a single storey side extension, with an associated small rear extension to the garage, offers a design which is more appropriate to the location."/>
