Bernadette,

I will have to withdraw my previous for application 20/02647/DISC as these were supposed to be made for 20/02649/DISC instead.

We are satisfied that the WSI submitted with the discharge application 20/02649/DISC are acceptable and conditions 16 and 43 of permission 19/01740/HYBRID can be discharged.

My comments on the discharge application 20/02647/DISC were made in error and condition 22 of permission 19/01746/OUT should only be partially discharged. A further overarching WSI for a staged programme of investigation for the Chicken Farm site itself will need to be submitted to fully meet this condition. This WSI is however acceptable for the areas covered by this application outside of the Chicken Farm itself.

Regards

Richard
