Comments	<p>The Parish Council considered planning application reference 20/02779/REM at Land Adj To Promised Land Farm Wendlebury Road Chesterton for "Reserved Matters application to 19/01740/HYBRID - layout, scale, appearance and landscaping details for Phase 1 of the employment development (5,126 sqm GIA), enabling works for later phases and SuDS Swale delivery, with associated landscaping, utilities and access" at a meeting on 26 November. While the Council had no objections to the proposals, there were some concerns about the safety aspect of access to the site, as the road is very narrow at that point. Together with the same points previously made regarding insisting that the travel plan is explicit in ensuring that Wendlebury is not used as a cut through for visitors wanting to access the site. I trust that this is of help to you.</p>
