Hi Gemma,

Having looked at the listed building applications and having had discussions with yourself about the noise and odour schemes I am satisfied that this will be the best solution bearing in mind the need for it to fit in the conservation requirements.

Therefore I have no further comments to make on this application.

NB: Please note my new working pattern below, I will only respond on the days appropriate to the email content
Mon – Weds: Environmental Protection, Thurs – Fri: Health Protection and Compliance

Kind Regards
