Subject: 20/02827/F - CDC Arboriculture

Hi Gemma,

From desk based assessment. There are several protected trees within the red line boundary. Therefore, a full arboricultural report including impact assessment and method statement will be required before I can review this application. Based on the current plans I feel there is great potential for trees to be damaged by the proposal, as such will need to object.

Regards,

Iain Osenton
Arboricultural Officer (South)
