Comments	<input type="text" value="My property, Wendlebury House, has a garden whose northern boundary is the south boundary of part of Orchard House garden, and the land I own giving access to my garage/stable, and that garage/stable itself, have as their east boundary the west boundary of Orchard House drive. The plans submitted seem to envisage a substantial increase in the occupancy of Orchard House. While this may not impinge directly on the amenity of my garden, it seems very likely to add considerably to the vehicular traffic in Church Lane, making it still less safe for pedestrians than it is."/>
